- Owned by Episcopal Divinity School
- Owned by Lesley University
- Shared Ownership

Notes:

Map prepared by Cambridge Community Development Department.

Ownership information based on Cambridge Assessing Department data for FY2012, and the annual Town Gown Report of each institution through 2012.

A number of institutional parcels combine taxable and non-taxable uses. In most cases, parcels with any taxable components are displayed as taxable properties.

For condominiums, the entire property is highlighted although the ownership interest may be partial.
