HURON B COMMUNITY MEETINGS

Alewife Sewer Separation Project

Tuesday, June 26, Wednesday, June 27 and Thursday, June 28

Dear Resident,

The City has scheduled three separate community meetings to facilitate the design discussion related to the Huron B Contract. During the first community meeting, the project team will gather feedback on issues from residents about Huron Avenue in preparation for developing design concepts. The next two meetings will have options for residential side streets and designers will listen to feedback and ideas for revisions.
