Dear Community School Families,

This summer, we had a great summer camp program and fabulous performances by local artists at our Arts in the Park at Riverside Press Park.

We would like to welcome all new and returning families to the afterschool enrichment program. I hope our Fall offerings will excite your child's interest. Please share your ideas with us, so that we can continue to offer quality and affordable community programs.

We would also like to take this opportunity to thank our parents and Neighborhood Council members and residents for their continued support. We invite you to join our neighborhood council.

Finally, my staff and I are looking forward to a successful Fall program as we begin the new academic year.
