TRASH DISPOSAL

Trash must be in a **rodent-resistant barrel with tight-fitting lid** when stored on private property and when set at the curb for collection (maximum 50 pounds or 50 gallon)

Don't overfill barrels so that lids don't close tight

Trash in plastic bags may be placed at the curb on the day of collection, not the night before. Only heavy duty bags are accepted - no thin grocery or kitchen bags

Barrels may be placed at the curb
after 6pm the night before collection or
by 7am on collection day

Please remove receptacles from the curb by end of the day of collection
