Huron Ave. Reconstruction Project

Curb and sidewalk work beginning 7/5

Dear Neighbor:

As part of the ongoing Huron Ave Reconstruction Project, the City's contractor, Newport Construction, **will mobilize on Wednesday, July 5th to begin curb and sidewalk work.** Crews will work primarily on the reservation side with several discreet wheelchair ramp repairs on the opposite side of street.

This work is expected to take approximately 8 weeks to complete, weather permitting.

Detours will be in place during work hours. *Please look for Detour signs, Road Closed signs, and No Parking signs as they will be changing frequently during the work.*

What to Expect During Construction:

- General work hours will be **7am – 4pm, Monday-Friday.**
- Please check posted No Parking signs.
- Please follow pedestrian detour signs.
- Access to properties will be maintained, when possible.
- Access will be maintained for emergency vehicles and City services.
