

## River Street Reconstruction Working Group Meeting #9

The River Street Reconstruction Project will upgrade the subsurface infrastructure while developing a new surface design for River Street, the bus terminal area at River and Magazine Streets near Central Square, and Carl Barron Plaza.

After a few months pause due to COVID 19, the City will reconvene with the Working Group in a virtual format. Visit <http://www.cambridgema.gov/riverstreet> for updates. All Working Group meetings are open to the public.

At this meeting, the Project Team will provide an overview of the corridor design based on feedback from previous meetings and design goals established through the Working Group process. The meeting will begin promptly at 5:30 PM and end no later than 7:30 PM.

### River Street Reconstruction Working Group Meeting #9 Wednesday, July 22, 2020 5:30 PM - 7:30 PM
