

Community Meeting Notice

King Open and Cambridge Street Upper School & Community Complex

Dear Neighbor,

The City of Cambridge is currently in the design phase for the reconstruction of King Open School on Cambridge Street. Earlier in the year, we held the three public meetings to seek feedback from the community during the feasibility and design phases. If you were unable to attend these public meetings, the meeting notes and presentations are available through the project's website.

On Thursday, October 22, the City of Cambridge will be hosting its fourth public meeting as part of the community process for the **King Open and Cambridge Street Upper School & Community Complex**. City staff and architects will be in attendance to lead the discussion with the Construction Management team and present the option being considered for the design.
