Note that all closures and restrictions described below will be in effect Monday-Friday, 7:00 AM to 4:00 PM. At other times all streets should be open to normal traffic without restrictions.

- PGS will have a work zone at the Magazine/Green Street intersection.

- Green Street will operate as 2-way between Magazine and Pearl, under police control, to allow for local traffic and access to/from the Green Street Garage.

- Pedestrians will be able to use Green Street, and access will be provided around the work site.
