Subject: Re: meeting reminder and other important information

Hi Catherine and Owen,

Great meeting last night - I really enjoy where this is going. As I mentioned, I'd like to pass on a link to a YouTube video about the smallest national forest, in San Francisco's Tenderloin district:

https://youtu.be/d8D7_QxHBxU.

Would you please forward to the rest of the group and the Reed-Hilderbrand team?

It's inspiring to think what Cambridge could dream up...

Thanks and happy holidays!

-Ahron
