

*Volpe Working Group – Meeting #5 – April 6, 2017, 5:30–8:00 PM*

*AGENDA (with approximate start times)*

- 5:30 PM** Welcome, Announcements & Updates
- 5:40 PM** Presentation on Spatial Strategies, Comparative Urban Districts and Site Design
- 6:10 PM** Discussion:
- *How do comparable areas succeed or fail at ...*
    - ... creating a center of gravity or sense of place?*
    - ... being permeable to surrounding areas?*
    - ... welcoming people of different ages and backgrounds?*
    - ... providing spaces that feel comfortable to be in?*
    - ... activating the street level?*
    - ... mixing uses that bring together the broader community?*
    - ... fostering civic participation?*
    - ... making other positive contributions to the community?*
  - *What lessons can be learned to apply to the Volpe site?*
- 7:40 PM** Public Comment and Additional Discussion (as needed)
