7:00-8:00 PM

Dear Neighbor,

On Tuesday, January 29, 2019 from 7:00-8:00pm, the Department of Public Works will be hosting a Community Meeting in the **Lower Level Auditorium** at the Cambridge Main Library located at 449 Broadway.

City staff will be holding a public meeting to discuss alterations to the Taylor Square Firehouse at 113 Garden Street. Construction is anticipated to begin in Spring 2019 and last approximately 12 months.

### The project generally consists of:

- Roof replacement including a 24kW solar photovoltaic array
- Ground source heat pumps including drilling three new wells at the firehouse apron.
- Upgrade to the electrical service, including the emergency generator
- Second floor window replacement
- Painting exterior trim
- Accessibility upgrades for public access
- Masonry work at rear egress stair
- Interior water and electrical saving measures

It is necessary to temporarily relocate the Taylor Square Firehouse crew in order to complete this work. A nearby site has been selected, which provides allowable response times to this firehouse's normally assigned response area.

A brief presentation will be given, followed by a comment, question and answer period. We encourage you to attend, as we value the feedback we receive from Cambridge residents and businesses.

### **Information and Assistance:**

The City of Cambridge does not discriminate on the basis of disability. The City of Cambridge will provide auxiliary aids and services, written materials in alternative format, and reasonable modifications in policies upon request.
