

March 18<sup>th</sup>, 2016

**Concord Avenue (Chilton to Fayerweather)  
Drain Lining  
Thursday, March 24<sup>th</sup>, 2016**

Dear Residents,

As part of the work to complete the sewer separation in your neighborhood under the **Concord Ave - Alewife Sewer Separation Project**, the City will be lining the drain main on Concord Avenue on Thursday, March 24<sup>th</sup> (weather permitting), beginning at 9am. This lining will provide a new, jointless drain pipe that minimizes root and water infiltration problems, improves flow, and provides for a more structurally sound pipe without the need for excavation.

**What to Expect During Drain Lining:**

- Construction hours begin at 9am and may extend into the evening.
- Set up of equipment may cause some adjustments in parking. Please pay attention to posted "**No Parking**" signs.
- Set of equipment may cause some adjustments to traffic patterns.
- During certain phases of the operation, you may detect an odor or observe steam.
- When work occurs directly in front of driveways or entryways, the contractor will coordinate access directly with residents.
- Emergency vehicles will have access to all properties at all times.
- City services will continue uninterrupted.

For any special needs that you may have, or for any questions or concerns regarding this project, you may contact the numbers below.
