Dudley St – Sidewalk Replacement

Work scheduled to begin Monday, June 22

Dear Dudley St. Neighbor,

Beginning on or around Monday, June 22nd, the City's contractor, Newport Construction, will begin sidewalk replacement on Dudley St. This work includes replacing concrete sidewalk still under warranty with the contractor but showing premature signs of spalling. Repairs are in spot locations only and are expected to last approximately 3-4 weeks, weather permitting. During this time, they will also be completing all other work associated with their contract including back-of-sidewalk restoration and punch list items.

What to Expect During Construction:

- General work hours will be **7am – 4pm, Monday – Friday**.
- “No Parking” signs will be posted at least 48 hours in advance of construction; please be sure to check posted signs for exact dates and times.
- When work occurs directly in front of driveways or entryways, access may be limited. The contractor will work with residents and businesses directly to limit disruptions to the greatest extent possible.
- City services will continue uninterrupted and emergency vehicles will maintain access at all times.

Information & Assistance:
