Taylor Square Fire Station

Renovation of the Taylor Square Fire Station will resume on June 1st, 2020.

The Contractor has been advised of the City’s construction safety requirements in order to safely start work. The City/DPW will be monitoring the contractors safety program.

The delay experienced was due to a construction moratorium imposed by the Commonwealth of Massachusetts on March 20, 2020. As a result of this, the contractor is assessing whether the project will be completed as originally scheduled.

Please contact me with any questions or concerns.

Robert Juusola, DPW Project Manager
