Subject: Message from Cambridge, City of, MA

A Combined Sewer Overflow (CSO) occurred in the Little River/Alewife Brook and consisted of untreated sewage and waste

Location: CAM401A: discharges upstream of the confluence of the Little River and Alewife Brook and upstream of the Route 2 Bridge.

Start time: 4:40pm
End time: 4:55pm
Duration: 15 minutes

Estimated volume (MG) (average last 3 years): 0.78

Potentially affected areas: Arlington, Cambridge, Somerville, and Medford

Required public health warning: Avoid contact with these water bodies for 48 hours after the discharge or overflow ceases due to increased health risks from bacteria and other pollutants. See website for more information:
www.cambridgema.gov/CSOreport
