

Clarendon Avenue Playground Open House

Tuesday, March 5th
3-6 PM

Trolley Square Apartments
8 Cameron Ave, Cambridge, MA 02140

The Community Development Department will host an open house session to share a plan to improve play conditions and safety at the Clarendon Avenue Playground through equipment upgrades and other improvements. This initial plan has been developed over the course of many years based on feedback from those who regularly use the neighborhood playground. All are welcome to attend.

Discussion topics will include:

- The park's Mass Ave façade
- The hard-surfaced play space in the middle of the playground
- The playground area at the far end of the park
