 - CDD has requested a marker for Broadway Common (Sennott Park) for 2019.
 - CPA funds to replace deteriorated African-American markers in FY 2019 approved.
- 7. City portrait collection. Kit arranged for restoration of the damaged portrait of Mayor Charles Hicks Saunders, which fell on architect Perter Quinn during the Commission meeting in the Council Chamber last August.
- 8. Cambridge Women's' History Project (Sarah Burks). Woman Suffrage research underway in anticipation of the centennial of 19th Amendment in 2020. **City staff met to discuss the nature and location of a suffrage memorial.**
- 9. PreservationMass (Sarah Burks). Met with PMI to discuss effects of *Caplan vs. Town of Acton* on our Institutional Preservation Grant program.
- 10. Dog Parks Committee (Sarah Burks). We continue to resist efforts to sanction dog use at Long-fellow Park.
- 11. Digital permits. The Energov online building permit system has been mostly replaced by a new system but is still in use for zoning applications.
- 12. Light Cambridge (Sarah Burks). We sent a report to the City Manager outlining measures to establish a Light Cambridge advisory committee that could carry out such a program. Updated the Manager on 9/13/17. Ken Taylor is working on a demonstration project at the Main Library.
- 13. African American History Project (Kit Rawlins). In FY2016, the City Council appropriated funds for expansion of the African American Heritage Trail. Chandra Harrington volunteered to help organize this project, which has CPA funding to replace five old deteriorated markers and install five new ones in 2019. A new Black History Group, comprising around a dozen knowledgeable volunteers, has emerged to work on this and other projects. The new markers will focus on sites as well as individuals, including the Cambridge Community Center, Lewisville, and the Dunbar Club on Franklin Street. Another project is gathering names of 20th and 21st century Cambridge Black Trailblazers (many still alive) to be honored on bookmarks to be distributed widely. The committee is also considering hosting an oral history workshop to teach interviewing techniques.
- 14. Solar policy. CDD staff and consultants have advised on a solar installation policy that staff will recommend for adoption by all commissions.

- 15. Survey of Architectural History in Cambridge (Eric Hill). Met with members of the Massachusetts Historical Commission staff to explain digitization process and discuss feasibility to upload survey forms to MACRIS (state-wide historic inventory searchable database). Completed twelve new MHC survey forms completed with more documentation than others in the file.
