

Thinking about making your building smoke-free? Help is available!

*You can create healthier homes for all residents.
Learn more about establishing a smoke-free policy
in your multi-unit building at this FREE workshop.*

Implementing Non-Smoking Policies in Multi-Unit Buildings: A Workshop for Owners and Property Managers

Hosted by the Cambridge Public Health Department and Six City Tobacco/Alcohol Initiative

WHEN: Wednesday, October 9th
6 p.m. – 8 p.m.

WHERE: Windsor Street Health Center
(2nd Floor Conference Room)
119 Windsor Street
Cambridge, MA 02139

For questions or to RSVP, contact:
Bonny Carroll
Six City Tobacco/Alcohol Initiative

bcarroll@somervillema.gov

Learn about:

- ✓ How smoke moves between units
- ✓ Experiences of property owners who have gone smoke-free
- ✓ Legal rights/lease addendums (it is entirely legal to implement a non-smoking policy)
- ✓ Health and financial benefits of going smoke-free:
 - Less costly renovations
 - Reduced fire hazards
 - Helps residents to quit smoking
 - Safer environment for children
 - Fewer tenant complaints

CAMBRIDGE PUBLIC HEALTH DEPARTMENT

Cambridge Health Alliance

*Co-sponsored by the Six City Tobacco/Alcohol
Initiative at the Somerville Public Health
Department, a Massachusetts Department
of Public Health funded program.*
