july 15  
6:00 - 7:30 pm

## Upper Watershed Nature Walk

with Bioengineering

Landscape architects from Bioengineering Group will introduce you to the unique habitats found on Cambridge-owned land in the Upper Watershed. Find out where your water comes from and discover new places to explore. Transportation provided to registered participants.

Advance registration required: call 617.349.7712 or email [fpr@cambridgema.gov](mailto:fpr@cambridgema.gov).

Meet at the Water Department front door, 250 Fresh Pond Parkway. Parking passes available. All events free and open to the public. Rain cancels outdoor events.
