## Water Quality Monitoring

with David Kaplan

Learn about the Cambridge Watershed system and the Water Quality Monitoring Program with Watershed Supervisor David Kaplan. Find out about the parameters measured and what they tell us about water quality. Check out some of the tools and techniques used for sampling water from reservoirs and tributaries for laboratory analysis.

Advance registration required: call 617.349.7712 or email [fpr@cambridgema.gov](mailto:fpr@cambridgema.gov).

Meet at the Water Department front door, 250 Fresh Pond Parkway. Parking passes available. All events free and open to the public. Rain cancels outdoor events.
