

2023 Fresh Pond Landscape Report

A photograph of a golf course at sunset. The sky is filled with soft, colorful clouds in shades of orange, pink, and purple. The sun is low on the horizon, casting a warm glow over the scene. In the foreground, a green golf course is visible, with a flag on a pole to the right. The background is filled with trees and foliage, some of which are silhouetted against the bright sky. A semi-transparent white box is overlaid in the center of the image, containing a list of text items.

Irrigation

Land Scape Report

Golf Course Staff provide updates to the DPW regularly on surcharge activations within the golf course property (beehive grate adjacent to Hole #1) and coordinate access for operation and maintenance of all City infrastructure. This system also provides water to the irrigation systems at the park.

New Friend

Land Scape Report

We have installed new buffer zone markers 25 feet from the water's edge on the 5th hole next to North Pond and 8th hole Next to Little Fresh. We will mow these in the spring and fall and let them grow throughout the summer.
