

Scott Street/ Irving Street Project Community Meeting

Thursday, April 12th
6:00 PM – 7:30 PM

Cambridge Public Library
449 Broadway, Community Room L2

Please join City staff and community members to learn about the results of the Scott and Irving Streets traffic calming project. The project was initiated to address speeding concerns and included:

- New roadway pavement
- New and reconstructed sidewalks
- A raised intersection at the Scott / Irving / Farrar intersection
- Advisory bicycle lane markings
- Additional landscaping

The meeting presentation will include “Before” and “After” project data and community survey results.

Meeting materials will be posted at:
www.cambridgema.gov/CDD/Projects/trafficcalming/irvingandscottstreets
