

Kendall Square Public Meeting, 4/10/2012

Goals Describe the plan vision and implementation framework for Kendall Square. Present and invite feedback on implementation strategies/policies.

Agenda

6:05-6:10 Welcome

6:10-6:55 Draft plan presentation:

- Vision
- Implementation framework/Strategies
 - Public realm
 - Built form and use
 - Sustainability
 - Transportation

7:00-8:00 Breakout group exercise: round robin format, with technical experts on each of the following topics moving among randomly assigned participant groups every 10-15 minutes.

- Public realm
- Built form and use
- Sustainability
- Transportation

Discussion questions:

- Does the vision fully harness Kendall Square's potential?
- Are priorities identified correctly?
- Are there more effective tools that we could be using?
- What's missing? Any other suggestions that would improve this plan?

8:00-8:30 Group discussion report back

8:30-9:00 General comments, facilitated
