Program Information and Policies

The Harrington Neighborhood Council and Community School is a Department of Human Service sponsored program. The Council plans programs/activities for children, adults, senior citizens and families in the Harrington/Wellington Neighborhood and King Open Community. The Council consists of residents, small business owners, representatives of Non-Profit Organizations and City Departments. Over the past years the Harrington Neighborhood Council worked closely with City Departments in addressing safe neighborhood concerns. As a result Community Crime Watch groups were established and the Frisoli Youth Center was built. The council recently participated in the Cambridge Street and Donnelly Field Tot Lot renovations. Members of the Neighborhood Council were part of the Committee who over saw the renovation of the Mothers Gold Star pool. The Harrington Neighborhood Council meets monthly at 6:00 p.m. All neighborhood residents and members of the school community are invited to attend.
