WELCOME to a year of possibility and success, both in school and out! The middle school years are a time of significant learning, growth, and development for 6th, 7th and 8th graders. It is also a critical time for our young people to be exposed to and explore new skills and interests while enhancing the skills and interests they already have.

WHY OUT-OF-SCHOOL TIME (OST)?

Out-of-school time (OST) experiences have a huge impact on the success of our middle school youth now and in the future. Participation in structured and quality OST experiences provides new experiences in supervised, safe, and supportive settings, and has the potential to increase engagement in school while developing important skills.

WHAT DOES THE MIDDLE SCHOOL NETWORK (MSN) DO?

MSN works with youth, families, teachers and school staff, and OST providers to help make sure *ALL* middle school youth, families, and the adults in their lives:

- Understand the importance of OST engagement
- Are aware of and able to access the many choices available to them

MSN is part of the Agenda for Children’s OST Initiative, which is a partnership between Cambridge Public Schools, the city’s Department of Human Service Programs, and the larger community of Cambridge youth-serving and OST providers.

WHERE DID THIS RESOURCE GUIDE COME FROM?

This Resource Guide contains many opportunities available to *ALL* Cambridge 6th – 8th graders, and is compiled and published by the Cambridge Agenda for Children’s Middle School Network (MSN).

WHAT DOES IT MEAN FOR AN OST PROVIDER TO BE A “MEMBER” OF THE MIDDLE SCHOOL NETWORK?

MSN members agree to criteria that includes: sharing of practices and resources, sharing and using data, coordinating services and promoting the Network to respond to the needs and interest of youth, and a commitment to ongoing professional development and quality improvement.

The Cambridge Middle School Network is NOT responsible for the administration of any of the opportunities listed in this Guide and strives for accuracy in all of the information provided.

Please contact CambridgeMSN@gmail.com with questions, comments, corrections or additions.

Information subject to change: Please contact each listing for current information!
Most students can take a CPS school bus from school to weekday opportunities; transportation not provided unless noted

CONSIDERATIONS WHEN CHOOSING OST OPPORTUNITIES

As you look through the guide, think about:

PROGRAM TYPE:

What sort of program interests you? Do you want a program that has only one focus, such as a sports or arts opportunity, or are you looking for something that offers a variety of experiences?

DAYS OF THE WEEK:

Some opportunities listed in this guide are available every weekday, others only occur once or twice a week or on weekends. What days are you looking for something to do?

START AND END TIMES:

Some opportunities begin right after school, and others begin later in the evening. End times of programs vary as well. Weekend opportunities also start and end at different times. What time are you looking to fill?

COST:

Some opportunities in this guide are free, others charge by session, or by class. Some even provide a stipend (you get paid when you complete the experience), and many provide scholarship money. How much can your family pay?

LOCATION:

Opportunities are listed in this guide by neighborhood, and most are open to youth from across the city unless otherwise noted. Do you need an opportunity that is within walking distance of your home or do you have access to transportation?

When you have found one or more opportunities that interest you, there are some things this Guide may not tell you. Some details to consider gathering more information about include:

THE ACTIVITIES AND SPACE:

- Will the program help you learn a new skill, or build on one you already have?
- Do you get to make choices about what you do?
- Do you feel comfortable, safe and respected in the space?
- Do you have friends who attend this program?

THE STAFF:

- Are the staff friendly, caring and excited to meet you?
- Does the staff encourage feedback from families and youth?
- Is the staff passionate about the middle school youth and their opportunity?

JOINING THE PROGRAM:

- Is there an enrollment deadline?
- Is there an application process?
- Are scholarships or financial assistance available?

Please Note:

1. The information in this Guide is subject to change – for the most current and accurate information, please contact each program/opportunity directly.
2. Opportunities are listed by neighborhood, but most are available to youth throughout Cambridge.

Key to Symbols:

 = Program is a member of the Middle School Network

 = Program operates all weekdays, Monday - Friday

 = Program is FREE to participate

*Information subject to change: Please contact each listing for current information!
Most students can take a CPS school bus from school to weekday opportunities; transportation not provided unless noted*

SPORTS OPPORTUNITIES

East Cambridge

Bay State Fencers

<http://baystatefencers.com/>

Program Type: Introduction to Fencing Class

Fencing teaches good sportsmanship and self-discipline, fosters a healthy attitude towards individual as well as team competition, and stimulates the mind by providing rewards for using sound judgment. Through fencing we teach everyone to enjoy winning and to profit from defeat, with the benefit of physical exercise. Fencing is also a great activity for developing general athletic skills including: hand to eye coordination, speed, and agility.

- This one month class has been designed to introduce youth ages 11 to 13 to the fun, fitness, and facts of fencing. In addition to being introduced to the skills, scoring, and equipment used in Epee fencing, general fitness is developed through games, drills, and bouts.
- Fencing uniform and equipment is provided,
- No prior fencing experience required

Grades/Ages: Grades 6 – 8

Programs Start:

Thursdays: September 8 (weekly for one month; sessions also begin October 6, November 3)

Saturdays: September 10 (weekly for one month; sessions also begin October 8, November 5).

Hours: Thursdays 4pm – 5pm or Saturdays 9-10am

Cost: \$95 per month

Location: 561 Windsor Street, STE A-401, Somerville, MA

SCIENCE, TECHNOLOGY, ENGINEERING & MATHEMATICS (STEM) OPPORTUNITIES

Area IV/Mid-Cambridge

STEMinistas 

<http://www.scienceclubforgirls.org/steministas>

Program Type: STEM and leadership development

- STEMinistas is a fun club providing middle school girls from traditionally under-represented backgrounds the opportunity to develop and use skills in science, technology, engineering, and math on a wide variety of team-based challenges
- Past projects have included building rollercoasters, exploring the question of life on Mars, and using stop-motion animation to create a scientific model of how ice melts
- STEMinistas is led by female Mentor Scientists and high school Junior Mentors looking to share their love of STEM with other girls

Grades/Ages: Grades 6-8, *GIRLS ONLY*

Program Runs: September 28 – November 30

Hours: Wednesdays 4:00pm – 5:30pm

Location: Moses Youth Center, 243 Harvard Street, Cambridge 02139

Cost: Free

To Register: <http://www.scienceclubforgirls.org/program-sites>

Register by: September 20

SCIENCE, TECHNOLOGY, ENGINEERING & MATHEMATICS (STEM) OPPORTUNITIES

East Cambridge

I Build  

<http://tutoringplus.org/enrichment-programs/>

Program Type: STEM and academic enrichment

- Youth learn to work in small teams, learning what it's like to be an engineer. Students are able to demonstrate and articulate the entire engineering design process at the end of the program. Students and volunteers draw upon their scientific knowledge and apply imagination, persistence, and ingenuity to create everyday devices or explore solutions to engineering problems that apply to their personal lives.
- Field trips allow students to visit and experience a real science environment in their own neighborhoods.

Grades/Ages: Grades 6 – 8

Program Runs: October 19 – December 14

Hours: Wednesdays 5:30pm – 7pm

Cost: Free

Location: Cambridge Street Upper School, 850 Cambridge Street, Cambridge 02141

To Register: Online at <http://tutoringplus.org/enroll/> or please contact Minh at nguyen@tutoringplus.org or call 857-266-7960 to talk to T+ staff about this opportunity.

Register by: Rolling admission until program starts

Contact: Minh Nguyen
