

massDOT
Massachusetts Department of Transportation

MassDOT and the MBTA will host five public meetings to provide an update on specific station designs for the Green Line Extension Project. Please join us at these meetings to learn about ongoing design work and find out the next steps for this important project!

Monday, June 3, 2013

6:00 – 8:00 PM

St. Clement School

579 Boston Avenue, Medford

This meeting will feature presentations by the MBTA and the City of Somerville on the Ball Square station.

Tuesday, June 11, 2013

6:00 – 8:00 PM

Holiday Inn

30 Washington Street, Somerville

This meeting will feature a presentation by the MBTA on the Washington and Union Square stations.

Tuesday, June 4, 2013

6:00 – 8:00 PM

Center for the Arts at the Armory

191 Highland Avenue, Somerville

This meeting will feature a presentation by the MBTA on the Gilman and Lowell stations.

Tuesday, June 18, 2013

6:00 – 8:00 PM

Cambridge Multicultural Arts Center

41 Second Street, East Cambridge

This meeting will feature presentations by the MBTA and HYM/NorthPoint on the relocated Lechmere station.

Thursday, June 20, 2013

6:00 – 8:00 PM

St. Clement School

579 Boston Avenue, Medford

This meeting will feature a presentation by the MBTA on the College Avenue station

More information can be found at the project website: www.mass.gov/greenlineextension.

This meeting is accessible to people with disabilities and those with limited English proficiency. Accessibility and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated documents, assistive listening devices, and interpreters (including American Sign Language). For more information or to request reasonable accommodations and/or language services, please contact Joe Sgroi at jsgroi@gilbaneco.com or 617-996-0771. For TTY, please call 857-368-0655 and ask to speak with someone about the Green Line Extension project.
