Dear LGBTQ Educators and Allies,

To recognize and honor your work creating safe spaces for LGBTQ students in Cambridge schools every day, the Cambridge GLBT Commission and the Mayor's Office invite you to our second annual **Educator Appreciation Event**. Please join us for a chance to meet your colleagues who are doing wonderful work around the city & beyond. There will be a brief speaking program of welcome, as well as free appetizers and a cash bar. Let's **welcome spring** by showing our appreciation for your efforts on behalf of students who are all too often invisible and alone. So please mark your calendars for May 3<sup>rd</sup> and pass this invitation on to anyone you feel it pertains to.

Whether you live or work in Cambridge, we hope you can join us!

Can't make it, but want to join the **Queer-Friendly Educators in Cambridge** email discussion list? Let us know at [GLBTCommission@CambridgeMA.gov](mailto:GLBTCommission@CambridgeMA.gov).
