HOW TO DO BUSINESS WITH THE CITY OF CAMBRIDGE

HOW DO I GET ON THE BID LIST?

Send your name, address and a product list or brochure to:

Cambridge Purchasing Department

City Hall, Room 303,

795 Massachusetts Avenue,

Cambridge, MA 02139

Phone: 617-349-4310 Fax: 617-349-4008 TTY: 617-349-4242

WHAT BID LAWS AND PROCEDURES DOES CAMBRIDGE FOLLOW?

Cambridge is subject to the Massachusetts General Laws (MGL) Chapter 30B for the procurement of goods and services, MGL Chapter 30 §39M for public works projects and MGL Chapter 149 for public construction projects. The City may use state blanket contracts and may issue bids with other cities and towns.

Goods and services procurement procedures can be summarized as follows:

City Departments use:

- sound business practices for purchases under \$5,000;
- three written quotes, through the Purchasing Department, for purchases between \$5,000 and \$24,999;
- a formal bid, through the Purchasing Department, for purchases over \$25,000.

HOW DO I FIND OUT ABOUT UPCOMING BIDS?

The City advertises its public works and construction bids in the "Cambridge Chronicle" and the Secretary of State's "Central Register". Other commodity and service procurements are advertised in the "Cambridge Chronicle" and, if estimated to be over \$100,000, in the Secretary of State's "Goods and Services Bulletin". Secretary of State publications are available at the State House Bookstore. All current procurements are posted on the bulletin board outside the Purchasing Department.

WHAT IF MY BUSINESS IS CAMBRIDGE-BASED, MINORITY OR WOMEN-OWNED?

The City of Cambridge encourages the participation of Cambridge based and minority and women-owned businesses. The Supplier Diversity Office (SDO) certifies minority and women-owned businesses. When requesting inclusion on the City's bid list, please indicate that you are SDO-certified and you will receive a copy of every formal bid issued by the Purchasing Department for your commodity or service.

HOW TO DO BUSINESS WITH CAMBRIDGE PUBLIC SCHOOLS

Cambridge Public Schools Purchasing Department

159 Thorndike Street Cambridge, MA 02141 Phone: 617-349-6410 Fax: 617-349-6415

The Cambridge Public Schools encourages active competition in all phases of the purchasing process.

Cambridge Public Schools Purchasing Department

The Cambridge Public Schools advertises all requirements for goods and services over twenty-five thousand (\$25,000) in the Cambridge Chronicle newspaper, as well as posting all open bids on the Public Information Board located in the Purchasing Department at 159 Thorndike Street, second floor.

Vendors interested in doing business with the Cambridge Public Schools should send a cover letter and any supporting documentation to the attention of the Purchasing Coordinator at 159 Thorndike Street, Cambridge, MA 02141. This will serve as notification to the Purchasing Department that the named vendor is interested in doing business with the School Department. It will NOT, however, guarantee that bid packages will be forthcoming. Potential vendors should remain in periodic contact with the Purchasing Department at the number listed below as well as examining the Public Information Board or the Cambridge Chronicle newspaper.

Written communication should also state whether the interested vendor is certified by the Commonwealth of Massachusetts as a Minority Business Enterprise. For additional information regarding such certification, interested parties should contact the Supplier Diversity Office, SDO, (formally SOMWBA), 10 Park Plaza, Suite 3740, Boston, MA 02116.

ENVIRONMENTALLY PREFERABLE PROCUREMENT PRACTICES

Environmentally preferable products (epp) are products or services that have a lesser or reduced effect on human health and the environment when compared with competing products or services that serve the same purpose. Such products or services may include but are not limited to, those which contain recycled content, minimize waste, conserve energy or water, and reduce the amount of toxins either disposed of or consumed.

The City encourages the procurement of recycled products whenever feasible and when cost, performance and availability are not compromised. The City builds flexibility into bid specifications whenever possible by giving manufactures and suppliers an opportunity to provide "alternate" products.

The City of Cambridge utilizes over three dozen Massachusetts statewide contracts that offer recycled products, including copy paper, cleaning products, office supplies, envelopes, and janitorial paper products, toner cartridges, trash bags, traffic control devices, boxes, bins, antifreeze, re-refined oil, office panels, and printing services. In addition, the City practices paper reduction techniques through the use of duplexing, sharing and circulating materials, use of electronic mail and reuse of discarded paper for draft work, scrap paper and internal messages.

To access the state's environmentally preferable product procurement page visit the Massachusetts Environmentally Preferable Products (EPP) Procurement Program at <http://www.ma.gov>
