

Community Meeting Notice

Pearl Street Reconstruction Project

Dear Neighbor,

As part of the City's Street and Sidewalk Reconstruction program, Pearl Street is scheduled to be reconstructed between Granite Street and Massachusetts Avenue. The City is anticipating that this work will begin in the Summer/Fall 2016. Due to the large scope of work, the project will be divided up into 2 phases. One phase will consist of roadway and sidewalk reconstruction on Pearl Street between Granite Street and Erie Street and the other phase will consist of roadway and sidewalk reconstruction between Erie Street and Massachusetts Avenue.

On Wednesday, February 26 at 6:30pm in the Amigos School cafeteria (located at 15 Upton Street), the Community Development Department and the Department of Public Works will be hosting a community meeting to begin the design process for the project. We encourage you to attend, as we value the feedback we receive from Cambridge residents and businesses. Additional community meetings will be held during the design process.

Information and Assistance

For any questions please contact Juan P. Avendano, Project Manager, 617. 349.4655 or javendano@cambridgema.gov. In an effort to be environmentally friendly, we encourage you to sign-up to receive future notifications about this project electronically. To receive future updates via email, please contact Chris Neil, Community Relations Manager, at cneil@cambridgema.gov or 617.349.4825. The City of Cambridge does not discriminate on the basis of disability and will provide auxiliary aids and services, written materials in alternative format, and reasonable modifications in policies upon request. Please visit the project webpage for updates and additional information at www.cambridgema.gov/theworks/cityprojects under Pearl Street Reconstruction.

Sincerely,

Chris Neil
Community Relations Manager
Cambridge Department of Public Works
