

City of Cambridge
CLIMATE PROTECTION ACTION COMMITTEE

Agenda

Thursday, December 8, 2011
City Hall Annex, 344 Broadway

- 6:00 pm 1. Approval of minutes – November 10, 2011
- 6:05 2. Report of the E&TP Director
- 6:10 3. Climate Change Action Planning: Massachusetts & Seattle
Speaker: Charlie Heaps, Director, Stockholm Environment Institute – U.S. Center.
Presentation on SEI's work on *Getting to Zero: A Pathway to a Carbon Neutral Seattle*, a report prepared for the City of Seattle and on the analysis that underpins the *Massachusetts Clean Energy & Climate Plan for 2020*.
- 7:10 4. CPAC Recommendations on Cambridge Climate Protection Goals
Objective: Review revised document on climate protection vision, goals, objectives, and actions. A vote will be taken on whether to recommend to the City Manager that the City conduct a public review and engagement process with the Climate Protection Goals document as the basis. Revised document and draft letter to the City Manager will be reviewed.
- 7:50 5. Meeting Planning
Objective: Discuss January meeting and outline of meetings through 2012.
- 8:00 6. Adjournment
