

City of Cambridge
CLIMATE PROTECTION ACTION COMMITTEE

Agenda

Thursday, August 14, 2014
City Hall Annex, 344 Broadway, 2nd floor

- 6:00 pm 1. Approval of Minutes – March 13, April 10, May 8, June 12, & July 10, 2014
- 6:05 2. Report of the Environmental & Transportation Planning Director
- Recent initiatives and activities
 - Status of CPAC recommendations
- 6:15 3. Solar financing
- Speaker:* DeWitt Jones, Boston Community Capital
- Objective:* Learn about BCC's activities in Cambridge, particularly with solar PV installations at Cambridge Housing Authority properties, as well as the status of legislative action on net metering in Massachusetts and options for expansion of solar financing in the city.
- 7:15 4. CPAC Working Groups Session
- Objective:* Two working group sessions will be started on urban heat islands and development of a solar roadmap. Members will discuss and refine the proposed charge to each working group, discuss issues, and develop a plan to accomplish the charge.
- 8:00 5. Adjournment
