

<b>Question #2: What uses/scenarios would you not like to see at the Foundry?</b>
Would not like to see non-Cambridge based organizations nor for retail. There are so many wonder Cambridge based non-profi0ts that I hope there will be a clear and transparent way , for both community members and organizations, to determine who/ what goes into the space.
No more tech start ups! This is a chance for Cambridge to express how they will bridge the access gap
No more office space
Specific Functions
Blocked windows, corridor mazes, what's there now
All for profit!
More science labs
Events, exhibits, gym & swim, educational, outreach
Lab or office space
Parking lot, a copy of Cambridge Multi- Cultural Arts Center
Pure office space
HAZMAT
Do not sell the building! Missed opportunity!
More start-ups, labs or industrial space
Market rate housing Do not sell the building for commercial use
Cubicles need to go!
Housing-enough is being built in that area
Mostly commercial uses in the 10k "community" S.F. leases to an entity that the neighborhood sees no benefit from
Definitely no more research labs
No more labs!
Expensive residential, McDonalds, Verizon
The City should keep the space and use it for community/non-profit use. We are at risk of loosing our cultural institutions
Expensive residential, McDonalds, Verizon
Exclusive space for kids (though there should be skills training for kids (though there should be skills training for kids mixed in to other use/programs. "STEAM" is a catchy trend but these goals can be accomplished without dedicated kids space. Also any artist use should emphasize 3D/ making things for an
A sale, lease for profit. Lease to establish for-profit businesses outside of the arts and media, violation or modification of the Alexandria agreement.
Selling the building to outside developer for private use and profit
No more than 1/2 of the space to be used for adult-centric office space-For it to be available for lease-To have stand-alone city take over the space.
Government offices, limited hours after 6 pm
7_Eleven, Dunkin Donuts, More commercial / lab space
No franchises. Use any proposed retail spaces to give dreamers a chance.
