## CAMBRIDGE BICYCLE COMMITTEE

Wednesday, July 11, 2012

344 Broadway, Cambridge, MA  
4<sup>th</sup> floor conference room  
5:30 – 7:30 p.m.

### DRAFT AGENDA

#### I. Agenda Review, Approval of Minutes, Other Logistics

#### II. Project Planning / Subcommittee Organization

##### A. Top vote getters from last time:

1. Public Image of cyclists
2. Infrastructure
3. Wayfinding
4. Mass Ave
5. Enforcement

##### B. Others topics worth pursuing:

1. Huron
2. Others of strong interest to Committee members

##### C. For each of the above:

1. Brainstorm about what the sub-committees could accomplish;
2. Identify leaders for each sub-committee; decide how much we can realistically take on - a leader plus 2 or 3 others is probably the minimum critical mass
3. Set expectations - probably, for each sub-committee to meet at least once between Committee meetings, and to report back in September with vision statement, goals/objectives, strategies.
4. Think about how to draw in others who might be interested - perhaps through our website.

#### VI. Announcements, Upcoming Committee Meetings
