Wednesday, April 10: River Street Bridge/Western Avenue Bridge Rehabilitation Project, 5:30-7:30PM

Honan-Allston Library, Community Room, 300 North Harvard Street, Boston

The purpose of this meeting is to present the River Street Bridge and Western Avenue Bridge Rehabilitation Project, alternatives being evaluated as part of the design process, and information presented within the Environmental Notification Form (ENF). The purpose of this project is to rehabilitate the structurally deficient arch and overpass bridges to continue to efficiently and safely meet the needs of the traveling public, while maintaining the structural integrity, rehabilitating their historic and cultural resources, and improving the conditions for all users including motorists, cyclists, and pedestrians.

Copies of the ENF may be obtained on the project website at www.mass.gov/massdot/charlesriverbridges or by contacting Michael Trepanier at Michael.Trepanier@state.ma.us.

Thursday, April 11: Alewife Sewer Separation Project - Concord Avenue Meeting, 6:30 – 8:30 PM

Tobin School Cafeteria (197 Vassal Lane)

Please join us to provide your input on the design. As part of the Alewife Sewer Separation Project, streets and sidewalks in the Concord Avenue neighborhood will be replaced. The project will include subsurface utility upgrades to separate stormwater and sewer infrastructure to reduce discharges to the Alewife Brook, and streetscape improvements along Concord Ave and the surrounding residential streets.

ACTION, ANNOUNCEMENTS and NEWS

Hubway Season Starts! April 8: Opening Celebration

Joining together two of the region's early signs of spring, Hubway and the Boston Red Sox Foundation have teamed up to commemorate the bike share system's "Opening Day" re-launch on April 8, 2013. The rolling relaunch celebration will feature Hubway team members circling Boston, Cambridge, Somerville, and Brookline on a celebratory route. Hubway members that greet the Hubway team along this route will receive a free Boston Red Sox tee shirt and/or a free day pass for Hubway. We're even sending one Hubway member to the Red Sox Opening Day home game. And of course, everyone can ride to the game. The Red Sox Foundation bike share station is right in Kenmore Square, which is where the party begins!

Route below:

Kenmore Square (11:00AM to 11:45AM)

JFK Crossing Brookline (12:30PM to 1:15PM)

Central Square Post Office (1:45PM to 2:30PM)

Davis Square (3:00PM to 3:45PM)

Boston Public Library (4:15PM to 5:00PM)

Come join us for the celebration! It's springtime in New England and it's time to ride...

Stay tuned to www.thehubway.com, www.facebook.com/hubway, and our Twitter feed (@Hubway) for up to the minute info on schedule/route.

Cambridge Honored with Roadmaps to Health Prize

Cambridge is one of six inaugural winners nationwide of the inaugural Robert Wood Johnson Foundation (RWJF) Roadmaps to Health Prize. The prize honors outstanding community partnerships across the United States that are helping residents lead healthier lives. "These prize winners represent leadership at its finest—trailblazers creating a culture of health," said Dr. Risa Lavizzo-Mourey, RWJF president and CEO.

Cambridge was honored for its achievements in the areas of healthy eating and physical activity, strengthening families, progressive urban planning, and integration of public health within the Cambridge Health Alliance health care model. The city of Cambridge will celebrate this achievement during National Public Health Week in April. [Read more >](#)

Reid Overpass/Memorial Drive Closed for 6 Months

On Sunday, April 7, the Massachusetts Department of Transportation will be closing the bridge that carries Memorial Drive over the rotary at the BU Bridge in Cambridge. The bridge, known as the Reid Overpass, will be closed to all vehicles, as well as to cyclists and pedestrians in both the eastbound and westbound directions. All vehicles will be diverted to the surface roadways and through the BU Bridge/Brookline Street rotary, and back on to Memorial Drive. The overpass will be closed to allow crews to perform structural repairs; **the work is anticipated to last six months**. For transportation news and updates visit the MassDOT website at www.mass.gov/massdot.

Tuesday, April 23: Minuteman Bikeway Improvements -- Public Hearing on Arlington Center Safe Travel Project, 7:00 PM

Arlington Town Hall, Arlington, MA

A Design Public Hearing will be held by MassDOT to discuss the proposed safety and mobility improvements at Massachusetts Avenue, Pleasant Street, and Mystic Street in Arlington. The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed intersection modifications. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible. The proposed project will consist of reconstructing the intersection and providing a connection for the Minuteman Bikeway through the intersection. The project will incorporate designated roadway facilities for cyclists as well as traffic signal and pavement marking improvements for vehicles and pedestrians.

Written statements and other exhibits in place of, or in addition to, oral statements made at the Public Hearing regarding the proposed undertaking are to be submitted to Thomas F. Broderick, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: David Shedd, Project Management Project File No. 606885. Such submissions will also be accepted at the hearing. Mailed statements and exhibits intended for inclusion in the public hearing transcript must be postmarked within ten (10) business days of this Public Hearing. Project inquiries may be emailed to dot.feedback.highway@state.ma.us

Saturday, May 11: 5th Annual National Train Day Bike Tour, 9:00 AM

Leaves from North Station, 9:00 AM

Boston Cyclists Union Presents the 5th Annual National Train Day Bike Tour. Meet Saturday May 11, 2013, at North Station at 9:00AM. Make sure that you leave enough time to buy your ticket and get onto the train to Hamilton/Wenham by 9:15! The route is about 32 miles and most of it is fairly level. One of the rail trails is crushed stone, so hybrids are suggested, but it is quite rideable on a road bike. We will ride about 10 miles per hour, with numerous stops, so the ride should be an easy one for most cyclists. We'll stop for lunch along the way, and get back to Boston by late afternoon. People who want a shorter ride may leave the ride in Wakefield (19 miles) and take the train back to Boston. Helmets required. Steady rain cancels.
