

Cambridge Bicycle Committee –Notes -- May 2014

(Attendance list to be added)

Bike Plan

Bike plan live, survey out next week -- hope to get some people who aren't regular cyclists to take survey

Open house in June with initial report

Draft plan in fall

Full plan early 2015

Projects

O'Brien Highway: Thurs 21st: walkthrough, overview of north point

Mitigation: Reconstruct O'Brien paid for by Northpoint

Highway--> Boulevard

First street extension: Discussion of bike lanes on First Street

Jon A, Tom M, Peter S: Various light cycles and cycle track ideas

Tegin: Hard with lots of movements

Cara: There are some elements of the proposal that are problematic

Hubway: Kendall St / BioMed launched, EF station coming (Northpoint). Alewife (east side of station) soon by the Linear Path, Rindge Ave. near library.

DPW Construction Report:

Western: Utilities done, street recon coming within the year.

Cambridge Common funded, 2 years, T detours

Outreach

Bike brochure, with CBC sticky note comments

Events

Bike ride: rain plans, do we drop high school food, unless torrential, we want to do something.

Brooklyn boulders: People serious about bicycling. good response.

Hotel Marlowe: "pimp my ride," tuneups and such.

Fresh Pond Day, May 31 bicycle parade

Bowtie: Sept 28

Park(ing) Day: Sept 20

June meeting; Grand Jct, MIT, elections, potluck

Other business: Peter Stokes, CPD should focus on education for cyclists versus high enforcement.
