

Cambridge Pedestrian Committee  
Proposed agenda -- January 22, 2009

Introductions, review of minutes (5)

The DCR bridges: Update and next steps (10)

Oxford St. pedestrian crash and motorists yielding to pedestrians: We do not anticipate having the police report in time for the meeting, but we can update the committee on what we do know and talk about the issue of motorists failing to yield to pedestrians in crosswalks. (15)

Seniors and walking: The City Council has asked staff to look at this question: are there additional initiatives we could consider to make walking easier for seniors? (15)

Social marketing: What kinds of activities does the committee want to take on? (10)
