What pedestrian activities should we plan—walks, other events? Please be thinking about this.

Brief updates: Golden Shoes, snow wrap-up, other

Review of subcommittee scopes

Current subcommittees:

Outreach/promotion: How can we encourage more walking?

Streetscape: What can we do to improve the experience of walking?

Pedestrian/vehicle interface: How can crosswalks, intersections work better for pedestrians?

Subcommittee meetings

Report back: What next, what resources would be helpful, what and who should we put on future future committee agendas?
