

Proposed agenda and other information about our Dec. 17 meeting

We will have a brief formal meeting::

The bridges: meetings and other updates

City signboards and proposed messages

Western Ave. project

We have invited the City Council to come from 7:00 to 8:00. The mayor is having a holiday party from 5:00 to 7:00, so maybe some councillors will wander up the street.

Bring food to share, and some good cheer, and we'll take some time to celebrate accomplishments for 2009 and talk about 2010.
