WALKING TOUR –

Meet at Central Square T Station near Essex Street, North Side of Mass. Ave.

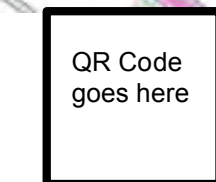

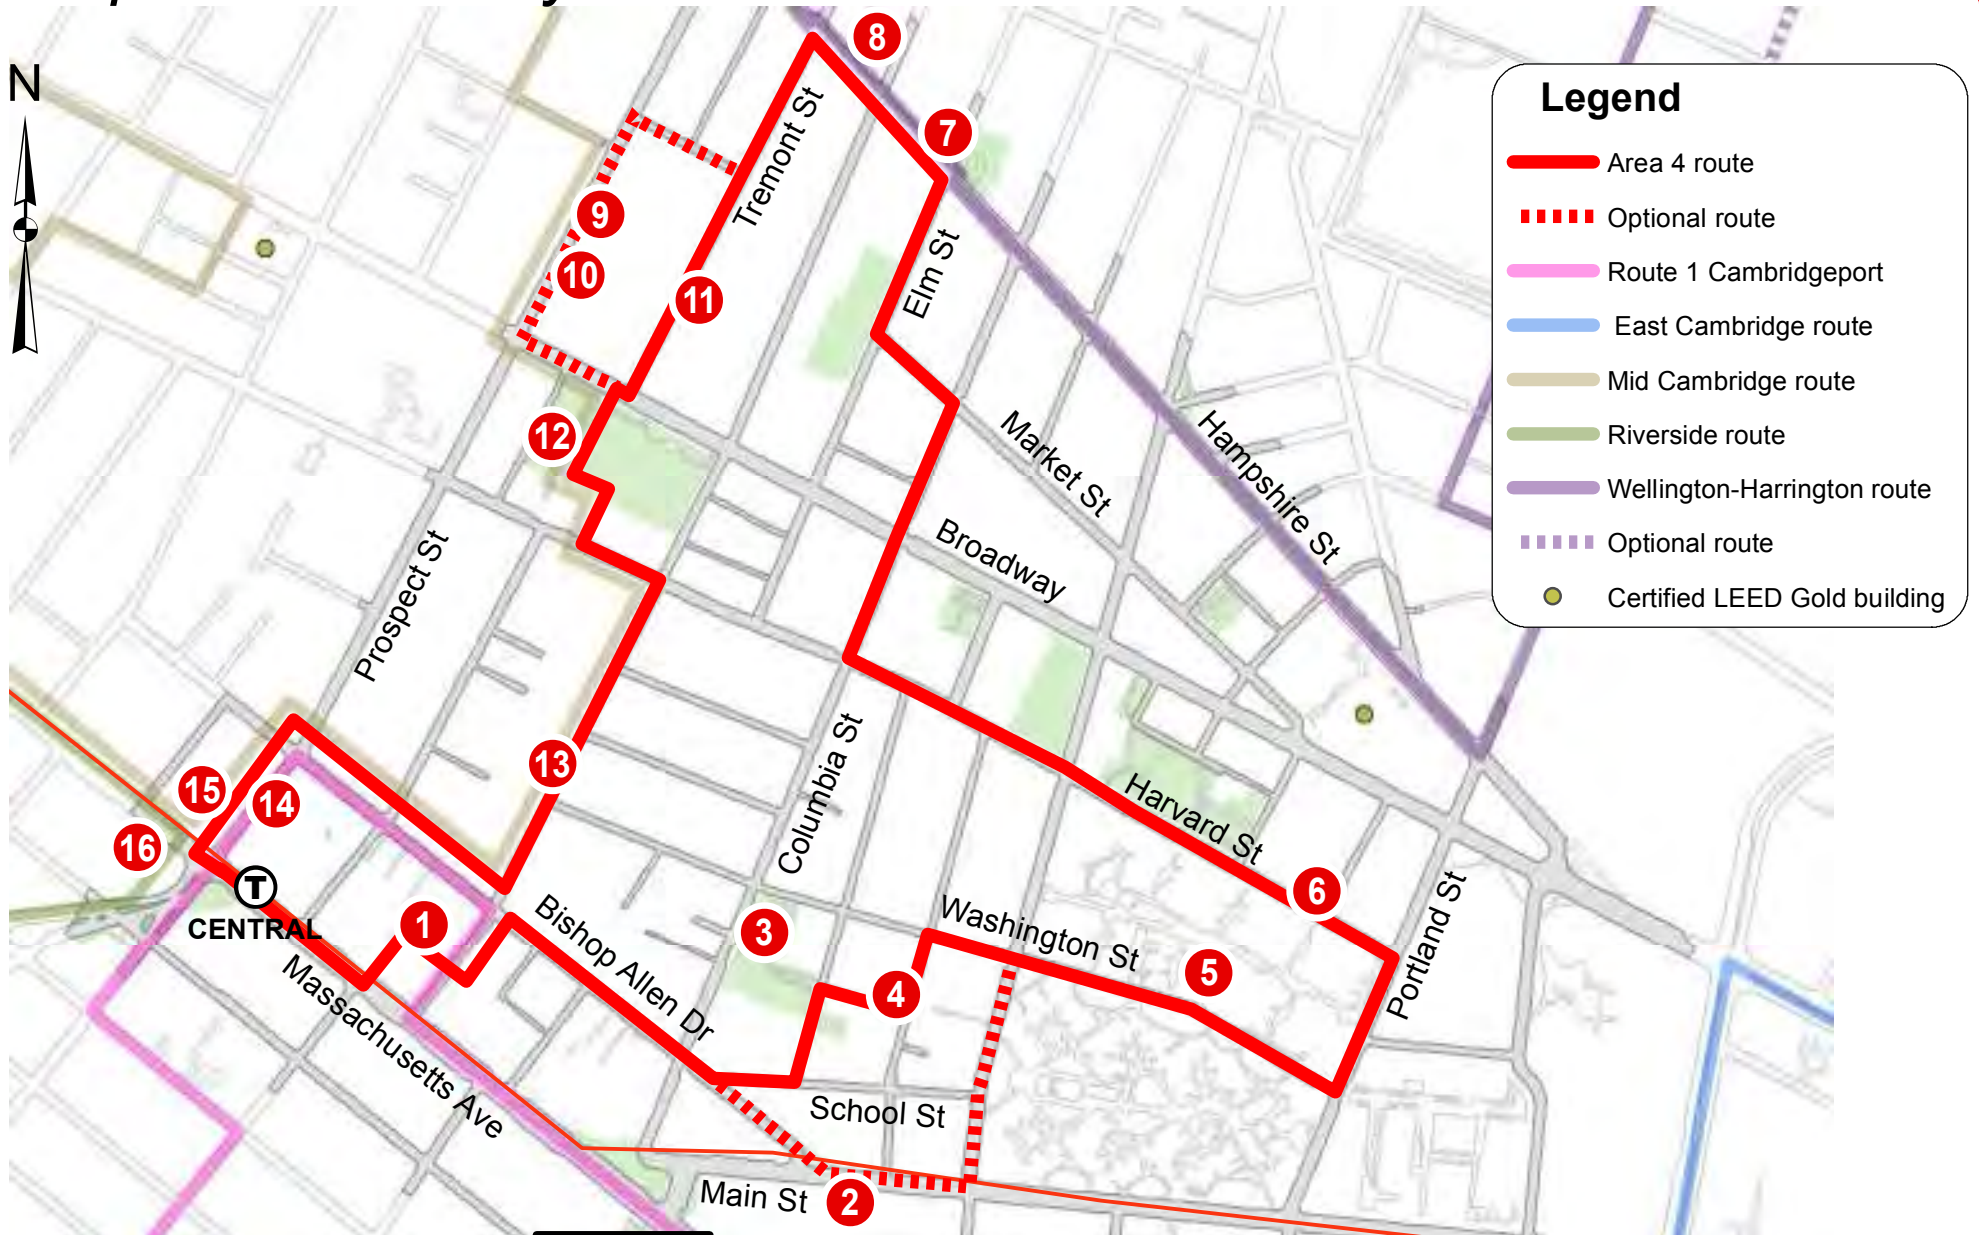

6-8 p.m.

Through the CitySmart program, walking tours of all the Cambridge neighborhoods are being developed. We would like to test-walk one of the walks both as a way of seeing a new neighborhood and also to give ideas and feedback about how to make these walks fun and interesting for all.

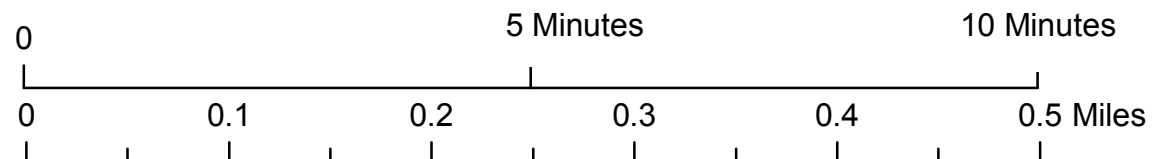

The walk will be in the Area 4 neighborhood; we will meet in Central Square and can also take the opportunity to chat about Central Square related to the ongoing city process.

Bring a snack/drink and we'll stop for a rest somewhere at one of the parks along the way.
