**In amendment to the Ordinance entitled “Zoning Ordinances of the City of Cambridge”**

**Be it ordained by the City Council of the City of Cambridge as follows:**

[New] 13.74.36 Parcel Height Allocation

In the event that two or more height limitation provisions (as set forth in Sections 13.74.3 (1) and (2), 13.74.31, and 13.74.35 above) apply to a single parcel of land defined and approved by the Planning Board as part of a Master Plan and intended to be developed singly and separate from other approved parcels in the Master plan and located within 700 feet of the northwesterly sideline of Charlestown Avenue and within 400 feet south of Reference Line #1, the total allowable massing of a structure on that parcel, as limited in the Master Plan, may be distributed and allocated across the entire parcel without regard to the restrictions set forth in the above referenced Sections to the extent that it furthers the purpose of this Section 13.70 and provided that neither the maximum allowable height applicable on the parcel by the above referenced Sections nor the maximum allowable square footage at the parcel are exceeded. Such redistribution of height may be approved by the Planning Board as part of any design review of individual buildings in the manner set forth in the approved Master Plan.
