## NOTICE OF PUBLIC HEARING

The Planning Board of the City of Cambridge will hold a public hearing on Tuesday, January 22, 2013 at 7:20 p.m. in the Second Floor Meeting Room at City Hall Annex, 344 Broadway, Cambridge, Massachusetts on a zoning petition by the City Council to amend the Zoning Ordinance by creating a new **Section 11.700 – Interim Regulations for Medical Marijuana Uses**, which would effect the following changes:

- Define “Medical Marijuana Treatment Center” consistent with its definition according to the Massachusetts Law for the Humanitarian Medical Use of Marijuana, approved in November, 2012 by a statewide initiative petition.
- Explicitly disallow any uses involving the acquisition, cultivation, possession, processing, transference, transportation, sale, distribution, dispensing, or administration of marijuana, products containing or derived from marijuana, or related supplies or educational materials where such activity is not conducted within a properly licensed and registered Medical Marijuana Treatment Center.
- Create an interim restriction on the establishment of Medical Marijuana Treatment Centers in any zoning district for a period of nine (9) months starting January 1, 2013, or until such time that the City Council enacts superseding regulations, so that the City may study their potential impacts on adjacent uses and on general public health, safety and welfare, and may develop zoning and other applicable regulations that appropriately address these considerations consistent with statewide regulations and permitting procedures.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts and at the Community Development Department, 344 Broadway, and online at <http://www.cambridgema.gov/CDD/zoninganddevelopment/Zoning/Amendments.aspx>.
