

*"Thank you, thank you, thank you, for all the terrific good cheer, making suggestions for my cover letter, the good ideas, and patience [CEP] extended to me."*

*"I wanted to move from academia to industry, but was not aware of the tough Market...Joining CEP was a blessing!"*

*"I finally got hired Monday after a lengthy process. Words cannot describe my gratitude toward you for all your mentorship and guidance during this endeavor."*

*"When I started looking for a job, I had only been in the USA for three months; I didn't even know what the requirements were...Now I am attending school at Bunker Hill Community College and working 30 hours a week. I don't think I could do this much if it weren't for CEP."*

*"[Getting] the job was one thing. But it lifted me up to have someone to talk with, someone who guided me"*

*"Having a good job is going to do so much for me and my family – and I know I would not have received my offer without your assistance!"*
