

MK2 Newsletter

Fall Issue – Vol. 2

November & December 2015

Our Morse K-2 Agreements

Morse K-2 has been having a great time creating their own world! They are exploring their community with neighborhood walks, visiting different parks and scavenger hunts. Our classroom is now full of beautiful pieces that represent our children and our community! We have been learning about one another through our creations. We are working together to make our MK2 room the perfect space for us to learn, grow and have fun!

Morse K2 was invited to join Curious Creatures on our early release day, hosted by Community School Programs! We met many interesting animals, like Peanut the skunk and Tortoise!

MK2 Snapshots!

Here are some snapshots of our children enjoying some of our fall activities with their friends! They have enjoyed our silly skills, play time at the park, races against the teachers and our silly hat day creations!
