How to Use This Directory

Accessing Services

Unless otherwise noted, services listed here do not require referrals from a case manager or other provider, and can be accessed by homeless persons directly. If a referral is required, shelter or transitional program residents should first request a referral from staff of that program; if you sleep outside or you can’t get a staff referral, contact one of the outreach programs listed on page 16 (“Street Outreach, Non-Residence-Based Case Management, and Assistance Accessing Mainstream Resources”) for help.

Some listings specify whether programs serve only Cambridge (or Somerville) residents; note that persons staying in shelters or transitional programs or living on the street in Cambridge are deemed to be residents.

Organization

The main content of this directory is organized by type of service (see Table of Contents on page 1). However, the index on page 59 can also help you locate services that focus on a specific population/need.
Disability Access

Listings which include a symbol are known to be wheelchair accessible. However, these listings may not be accessible for all needs or disabilities. Additionally, some programs that this directory does not list as wheelchair accessibility may have various accessibility features. For the most accurate and specific information about a service’s level and type of accessibility, please contact the provider directly.

For general information about the accessibility of municipal or City-funded services, or to request a copy of this directory in an alternative format to accommodate a visual disability, please contact the Cambridge Commission for Persons with Disabilities, located at 51 Inman Street, 2nd floor; telephone number 617-349-4692 (voice) or 617-492-0235 (TTY/TDD).

Addresses and Directions

If no city is indicated in a listing’s address, that means the location is in Cambridge. Addresses that are not in Cambridge list the city in bold (for example, Somerville or Boston).

Note: Make sure to check what city a location is in, before going! Many of the same street names are shared between Cambridge, Boston, Somerville, and other neighboring communities. For example, there is an Albany Street in Cambridge and an Albany Street in Boston, and important services for homeless people are located at each.

Entries in the directory with an address also display the closest transit connections. T stops and bus routes listed are typically within a one-third mile walk of the location. Locations (particularly in Boston) may be served by more transit than is listed; those listed here are particularly oriented towards stations and bus routes served by the Red and Green lines, the two subway lines with service in Cambridge.

For more information on access to transportation and getting around, see page 51.

See the following page for a map of the MBTA transit system.
The MBTA’s online Trip Planner tool will help you find the best transit directions between two locations: www.mbta.com/trip-planner. If you have access to a smartphone or other device with apps, a number of free apps are available to assist with transit directions. The app endorsed by the MBTA for trip planning is called “Transit App”.

Overview of Services to Prevent Homelessness and Help People Who Are Homeless in Cambridge

Cambridge houses a diverse array of services designed to help prevent homelessness or to serve individuals or families who have become homeless. The following overview is offered to help steer the reader to the most appropriate service.

**Prevention services** include assistance in helping individuals whose tenancies (or mortgages) are at risk of coming to an end because of legal or financial problems. The City’s **Multi-Service Center** is the largest provider of prevention services (as well as an important source of services for people who have become homeless).

**Emergency Shelters** provide emergency housing for individuals and families who no longer have a place to call home. Each shelter has its own rules for eligibility and access. Most shelters for individuals have a mix of short-term “emergency beds” (stays of 3-14 days, depending on the program) and “extended-stay” or “contract” beds (stays of several weeks or months, depending on the program).

**Transitional Housing** programs generally offer 6 to 24 months of residential stability (depending upon the program) and on-site case management and related supports to homeless persons who are actively working towards ending their homelessness.

**Permanent Supportive Housing (PSH)** programs offer housing indefinitely along with services, for homeless (generally chronically homeless) individuals with a disabling condition. The majority of PSH opportunities in Cambridge are now filled on a prioritized basis solely through Cambridge CAN (see page 6).

**Drop-in** programs provide a safe place where homeless persons can go during the daytime, whether to simply get off the street or to access supportive services. Because shelters for individuals are typically only funded for overnight services (from dinner time to breakfast the next morning), such drop-in programs fill an important gap in services.

**Street outreach services** reach out to homeless persons living on the street (or in parks, cars, etc.) to assist with immediate needs and to link them to more extensive services.

**Case management** – individualized assistance with developing and implementing a plan for ending one’s homelessness – is available from residence-based staff for all permanent supportive housing and transitional housing program residents, all family shelter residents, and residents of some shelters for individuals. Non-residence-based case management may be available to help other homeless persons.

A variety of specialized programs provide specific services that people who are homeless might need, including:

- Food, clothing, and health care services (including mental health care, dental care, and eye care)
- Housing search and post-placement stabilization (help finding and keeping an
• Education and training
• Employment assistance
• Legal assistance
• Child care and family support services
• Cash assistance (for moving or other needs)
• Assistance with money management, including representative payee services
• Access to computers and computer instruction
• Other services (e.g., ID, income tax assistance, etc.)

Key Agencies/Services

Cambridge Coordinated Access Network (C-CAN)
362 Green Street, 1st floor; Central
617-349-7715
www.cambridgecoc.org/cambridgeCAN

C-CAN is the system of Coordinated Entry/Access serving Cambridge. All persons experiencing homelessness in Cambridge are strongly encouraged to receive a C-CAN assessment; participating housing programs and services now receive referrals only from among clients who have been assessed by C-CAN, prioritized based on level of vulnerability and type of need. Fourteen housing programs, as well as Housing Navigation and Clinical Case Management services, now participate in C-CAN.

Any person with a tie to Cambridge who is currently experiencing homelessness is eligible to complete an assessment. Assessment is offered on a walk-in basis at the Cambridge Multi-Service Center (address above) Monday from 4 to 7pm; Wednesday from 1:30 to 4pm; and Friday from 9am to 12pm. In addition to these walk-in hours, C-CAN staff are frequently available on a scheduled basis during the City’s business week (long Monday ending at 8pm, short Friday ending at 12pm) to schedule an intake at the Multi-Service Center, or to have an outreach worker conduct assessment at your location (within Cambridge), if you are unable to come to the MSC.

The MSC works to prevent evictions and resolve landlord-tenant problems through case management, advocacy and budget counseling. Additionally, it provides assistance in applying for public benefits, financial counseling, legal services, and accessing mental health and substance abuse services.

Most of the services of Cambridge CAN (see previous entry) are also co-located at the MSC.

If Cambridge shelters are full:

Among shelters in Cambridge, the Salvation Army and CASPAR Emergency Service Center have the greatest ability to stretch their capacity to accommodate unsheltered persons placed at heightened risk by extreme winter weather.

Some of the larger shelters in Boston are able to accommodate significant numbers of otherwise unsheltered persons who would be at risk by such extreme weather.

CASPAR’s FirstStep Street Outreach Team (617-592-6895, weekdays from 8am to midnight; weekends and holidays from 1 to 9pm) will have updated information about the availability of beds in Cambridge shelters, and can provide assistance to unsheltered individuals in accessing beds in Cambridge, or, if none are available, in Boston. The CASPAR FirstStep
vehicles do not have wheelchair lifts; however, staff can help arrange (but cannot guarantee) alternate transportation for persons whose mobility disabilities prevent them from stepping into the vehicles.

The Center is open 11 hours each night, 7 nights weekly during the winter months. Once guests arrive, they are asked to stay on site, go through a safety check, and store their personal belongings.

However, people who are receiving Emergency Aid for the Elderly, Disabled and Children (EAEDC) are not eligible for the service.

This program provides transportation service to medical appointments when an individual is unable to access public or private transportation. The recipient’s medical providers must authorize the need for transportation to their office by completing a Prescription for Transportation (PT-1) Form. Once approved, individuals must call at least three days in advance of their scheduled appointment in order to schedule transportation. For additional information on this program, call the number listed above.

Obtaining a discount T pass for persons with disabilities: Persons with disabilities ride the T for 50% or more off the price of standard T fares and are also eligible for a $20/month Transportation Access Pass (TAP) ID good for unlimited travel on Local Bus and Subway. Obtain application from the MBTA (617-222-5438 or download at www.mbta.com/uploadedFiles/documents/ACCESS_PASS.pdf). Have a medical provider (e.g., Health Care for the Homeless) complete the form and return it to the MBTA.

Medicare recipients, clients of DMH, and registered users of THE RIDE do not require further verification of disability. Applications take approximately 2 weeks to process. When you receive notification of approval, bring the notification, two forms of ID, and $3.00 to the Senior and Access Office (Monday, Tuesday, Wednesday, Thursday, and Friday from 8:00am to 5:30pm) at Downtown Crossing on the Red and Orange Lines.

Miscellaneous Services

Getting a Massachusetts ID

You do not need to be able to drive to get an official Massachusetts ID card. You can get this identification card at the Registry of Motor Vehicles (136 Blackstone Street, Boston; near Haymarket Station). It is necessary to bring separate documents proving: (a) date of birth, (b) signature, and (c) Massachusetts residency. Residency can be established by bringing a letter on shelter (or other residential program) stationery, signed by a case manager, stating the homeless individual’s name and social security number, indicating where she or he is staying, affirming his or her homelessness, listing other IDs she or he has, and stating that the case manager knows this person well enough to attest to the facts of the letter.

People lacking the usual proof of identity can get an unofficial picture ID on Monday, Tuesday, Wednesday, Thursday, and Friday from 10 to 11am at St. Francis House (39 Boylston St, 4th floor, Boston, Boylston or Downtown Crossing; call 617-654-1257). A St. Francis ID with accompanying letter from staff, letter from a shelter or transitional program, and the required $25 fee, may be adequate to obtain a Massachusetts ID from the Registry of Motor Vehicles.

Mail Services at the MSC

People who are homeless in shelter or on the street, or who are “doubled-up”, in Cambridge are eligible to sign up at the Cambridge Multi-Service Center (362 Green Street, Central) to receive mail there. For more information, contact Betty Paige at 617-349-6347.

Ex-Offender Services

Span, Inc. (105 Chauncy Street, Boylston, Downtown Crossing, or Chinatown; 617-423-0750) offers a range of support for ex-offenders, including help with housing and employment, reintegration counseling, substance abuse and HIV/AIDS services, peer support, and a drop-in center. Some assistance may be time-limited, based on the date of release from prison.

Free Cell Phone Service

Through SafeLink Wireless’s Lifeline Service you can receive a free wireless phone and 80
minutes of talk time every month. To qualify, you must prove participation in one of the following public programs: EAEDC, SSI, Fuel Assistance, SNAP (food stamps), MassHealth, or TAFDC, and you must provide a valid street address (not a PO box). Apply online at www.safelinkwireless.com.

On Wednesdays, clients who are eligible (must be receiving state or federal benefits, and have a valid photo ID) may sign up at the Multi-Service Center (362 Green Street, first floor) for a free Assurance cell phone.

Voicemail Service

Ask your shelter or housing provider if they still have Project Connect voicemail boxes to distribute. The following providers can offer voicemail boxes to homeless clients who can’t get voicemail from their shelter or residential program: Youth on Fire (for youth only; see page 12), On The Rise (for women only; see page 13), and Heading Home (based at the Multi-Service Center, 362 Green Street, first floor, call 617-349-6337 for information). You can also use Google Voice (free; visit online at www.google.com/voice) or search online to find other vendors offering free/low-cost voicemail accounts, although these may not necessarily have a local area code.

Free Income Tax Assistance

Available at the Cambridge Economic Opportunity Committee (617-868-2900; see page 51). Assistance is also available on a more or less weekly basis from VITA volunteers visiting the Cambridge Public Library’s Main Branch (617-349-4040; see page 31) and Central Square Branch (617-349-4010; see page 31), and at East End House (617-876-4444). All tax-filing assistance is by appointment.

Getting Involved

People who are currently or formerly homeless in Cambridge are invited to participate in meetings of the Homeless Services Planning Committee (HSPC), which are open to the public and take place from 10:30am to 12:00pm on the third Tuesday of every other month, at the Central Square branch of the Cambridge Public Library. In case of any changes, we recommend double-checking the online calendar at www.cambridgecoc.org/events.

HSPC meetings, which are organized by the Cambridge Continuum of Care (CoC), are a venue for bringing interested people and organizations together to help shape decisions affecting services for homeless individuals and families.

To learn more, visit online at www.cambridgecoc.org, or contact Marianne Colangelo (617-349-6966 or mcolangelo@cambridgema.gov).
