

Dear Parents,

The Center for Families has been on a journey to safely and accurately collect family information in regards to family demographics and participation information. Recently we have been fortunate enough to design a data base specific to our program needs. We believe this database will support us in better connecting with families, completing required funding reports and program evaluation.

In the past you filled out the Cambridge Connections form to register with us and receive program information via newsletter/flyer mailings, email and social media. We have now updated that form to align with our new system and collect needed demographic information.

As always, all Center for Families information is confidential and only used by Center staff and no identifying information is used in reporting to our funders.

Attached please find the new Center for Families registration form. If you wish to continue to receive information about programming, please fill this form out and return it to the Center for Families. If you have any questions please contact us at 617-349-6385.

Thank you,
Center for Families
