## **PROGRAM INFORMATION AND POLICIES**

The Harrington Neighborhood Council and Community School is a Department of Human Service sponsored program. The Council plans programs/activities for children, adults, senior citizens and families in the Harrington/Wellington Neighborhood and King Open School Community. The Council consists of residents, small business owners, representatives of Non-Profit Organizations and City Departments. Over the past years the Harrington Neighborhood Council worked closely with City Departments in addressing safe neighborhood concerns. As a result Community Crime Watch groups were established and the Frisoli Youth Center was built. The council played an active role in the Cambridge Street and Donnelly Field Tot Lot renovations. Members of the Neighborhood Council were part of the Committee who over saw the renovation of the Mothers Gold Star pool. The Harrington Neighborhood Council meets monthly at 6:00 p.m. All neighborhood residents and members of the school community are invited to attend.

# Community Schools Bus Policy

The Community School Programs offer afterschool enrichment classes in every elementary school in Cambridge. Most children attend the classes at the Community School located in their school building. Some families prefer to have their children attend classes in the school building located in their neighborhood. If an established bus route exists from a child's school to the preferred Community School, very often the Cambridge Public Schools are able to transport children to that Community School. Parents/guardians need to make transportation arrangements with the Cambridge Public Schools.

In an effort to support families, beginning this year a staff person from Community Schools will be available in front of the school to greet children under the age of 9 arriving by bus and will escort them into the school. Children age 9 and older who have parental permission may enter the school on their own.

To avoid disrupting ongoing classes and to support children's full participation in the enrichment classes, children must arrive no earlier than 15 minutes prior to the start of Community School Program and no later than 1 hour past the program start time. For a breakdown by school of the times that children may arrive for programs, please refer to the schedule below:
