Public Open House

Please come and see the bike lanes planned for
Mass. Avenue from Beech St to Rt. 16

Monday, August 28, 5 – 8 PM

**Trolley Square Apartments Community Room
8 Cameron Avenue, Cambridge, MA**

Restriping and Signing Safety Improvements

Cambridge residents voted for this project as a Participatory Budgeting Item in 2016. The request was to create short-term immediate measures in the form of better roadway markings and signage for the safety of people bicycling along this corridor. This project complements the City's Vision Zero and Complete Streets Policies.

The planned markings and signing vary with conditions along the Avenue, and include regular bike lanes, green markings at conflict points, shared lane markings, added signing, and short sections of separated bike lanes. Parking changes are limited to an area on the north side of the street near Linear Park.
