LETTER FROM THE DIRECTOR

Dear Friends,

With more than 100-inches of snow, winter 2015 packed a serious punch! While folks in Cambridge and all around the Commonwealth wondered if they would ever see the ground again, local artists were hard at work in their studios creating new work and Cambridge Arts was busy making plans for **7th Annual City-wide Cambridge Arts Open Studios**.

Scheduled to take place on **Mother's Day weekend, May 9-10, 12Noon – 6pm**, Open Studios provides residents and visitors in Cambridge with the opportunity to visit artist studios, enjoy group exhibitions in Common Venues, and, for the first time, to experience live performances by artists affiliated with the city's vibrant performing arts community in many of these same locations. With all this creative activity and unique artwork to see and purchase, this will surely be a memorable and exciting Mother's Day weekend!

This year, Open Studios also coincides with the opening of the Lunder Arts Center on Lesley University's Porter Square campus, the new home of the College of Art and Design. Elevating Lesley's core mission of teaching, supporting, and celebrating creativity, the center will serve as a vibrant hub for art making, arts education, expressive therapies, and design. Already a terrific partner to the neighbors and businesses in Porter Square, Lesley University has been clear that the Lunder Arts Center will be a resource not just for students and faculty but also for the city's young people, Cambridge Public Schools, and the dynamic community of artists that make Cambridge such a diverse and interesting place.

This is exciting news for Cambridge and demonstrating this intention Lesley signed on as a Major Sponsor for Cambridge Arts Open Studios this year! We are grateful for their partnership and look forward to seeing the positive relationship between Lesley and the city continue to grow and deepen. So, beginning with the Common Venue at Lunder Arts Center and with Open Studios as your guide, dig in to creativity with your mom and the other special women in your life. Be sure to download the Cambridge Arts Open Studios app and visit the Cambridge Arts website (cambridgeartscouncil.org) for more opportunities to engage, get involved, AND find the perfect gift for mom!

See you in the studios!

NAVIGATING CAMBRIDGE ARTS OPEN STUDIOS

Cambridge is big and there are so many studios, what do I do!?!?

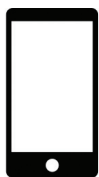

Not to worry, we are here to help!

There are many different ways to make your way around this exciting event.

For starters you can use this brochure or download our Cambridge Arts Open Studios smart phone app and build your plan of attack!

Which artists do you want to visit, what art medium would you like to see or learn more about, are there particular neighborhoods that you would like to explore?

Once you know what you might like to see, you can chart a route for your day... or skip all that and let the studios lead you as they may!

Download the App:

Search for Cambridge Arts Open Studios in your apple or android app store to download our FREE application or view the app online:
www.cambridgeopenstudios.toursphere.com

The Cambridge Arts Open Studios App was created by  New Art Love
in partnership with Artmorpheus.

By Bike:

The Cambridge Bicycle Committee has created cycling routes connecting open studio locations. Please visit www.cambridgeartscouncil.org/openstudios for printable mini bike tours.

Cambridge Pedicab will also be out in full force during the weekend. Hop a free ride from a common venue into the neighborhoods! Flag one down or call 617-370-3707 to request a ride.

By Foot:

Cambridge is a pedestrian friendly city. Grab a friend and get some exercise while exploring the amazing artists and charming neighborhoods Cambridge has to offer.

By Public Transportation:

As always, MBTA subway stations are clearly marked on our map for your reference. Please contact the MBTA for details on bus stops and routes. www.mbta.com

By Car:

If none of these options work out for you or if you are coming from out of town, we have arranged for a few open parking zones around the city. Residential parking restrictions will be lifted, however, please note that meters are still in effect in these areas on Saturday.

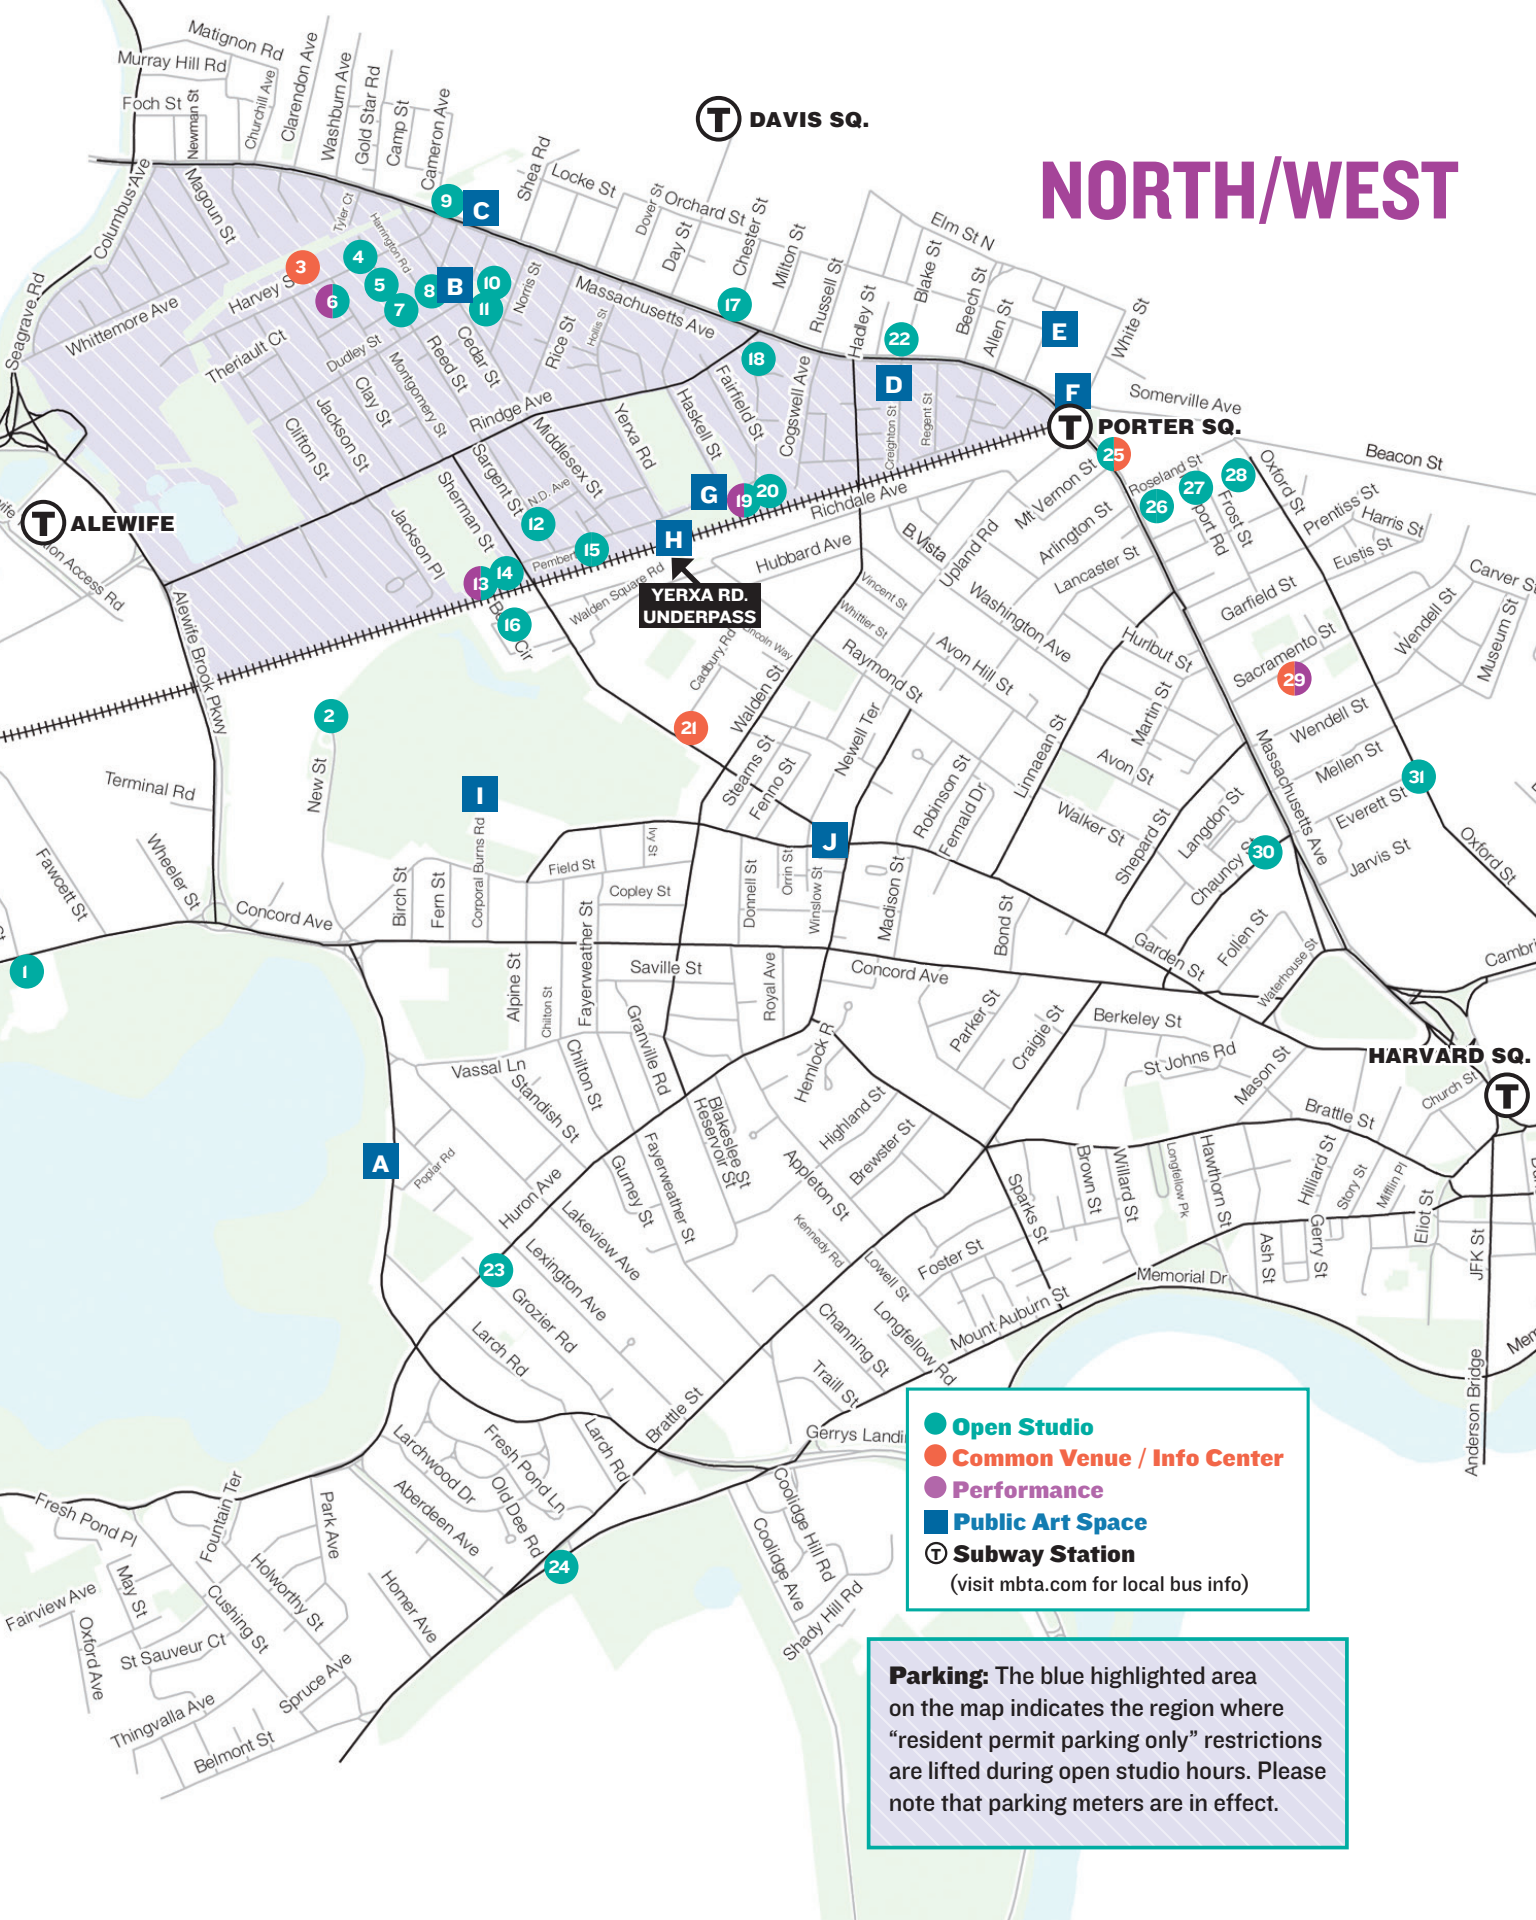

Look for these areas on the maps.
Maps can be found on page 6, I4, and 22/23.

Cambridge Arts does not discriminate on the basis of disability. The City of Cambridge will provide auxiliary aids and services, written materials in alternate formats, and reasonable modifications in policies and procedures to persons with disabilities upon request. All Cambridge Arts organized common venues are fully accessible.
