## **Digital Reproduction Request Form**

Name

The Cambridge Room's historical materials, other than those that are restricted in our terms of access policy statement, are accessible to the public. Digital copies of these materials may be made, unless restricted by federal copyright law and any collection-specific stipulations. The Cambridge Room reserves the right to restrict the use or reproduction of rare, valuable, or fragile items.

## **Warning Concerning Copyright Restriction**

The copyright law of the United States, Title 17, U.S. Code, governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of the specified conditions is that the photocopy or reproduction of copyrighted material is not to be "used for any purpose other than private study, scholarship, or research" (17 U.S.C. § 108). If a researcher makes a request for or later uses a photocopy or reproduction for purposes in excess of "fair use," that researcher may be liable to prosecution for copyright infringement. The Cambridge Room reserves the right to refuse to accept a copy order if, in its judgment, fulfillment of the order would involve violation of copyright law.
