Rule 23 provides that the Mayor shall determine the agenda in consultation with the City Manager and other members of the City Council. After consultation with the City Manager, the Mayor has scheduled a discussion of the 2000 census as the subject of the February 4, 2002 meeting, and a review of the City Council goals established at its last goal setting process as the subject of the March 4, 2002 meeting.

The manager and his staff have discussed the following as potential topics for future roundtable discussions:
